IEEE & ELM 2009 GOLF OUTING

Let's tee it up!!

It's that time of year again! The IEEE/IAS and The Electric League of Maryland are once again teaming up to host their 9th Annual Golf Tournament on **31 August 2009**. This year we have chosen **Compass Pointe Golf Courses** in Pasadena, MD as our site. Compass Pointe is a Premium Course new to the area (2003) and was designed by award winning architect Lindsey Ervin. This is the nicest course and facility we have chosen in the history of our event. We are expecting a field of 144+ players to participate in this year's event. As usual, we expect our players will represent a strong cross section of the electrical industry leaders including Consulting Engineers, Contractors, Vendors, Manufacturers, Distributors and End Users. They are from all over the Maryland area and are friends and supporters of IEEE and ELM.

The net proceeds from this year's event will be allocated to the IEEE/IAS Scholarship and ELM Education Funds.

SPONSORS ARE NEEDED!

We depend on our sponsors and members to donate prizes to fill our golf cart bags as well as our prize table for the awards luncheon. With this in mind, we ask that you donate door prizes or cart bag prizes to be awarded at our tournament. Prize Sponsors are listed on our website, and will be recognized at the tournament
